August 3 – August 8, 2015
Independence Events Center
19100 E. Valley View Parkway, Independence, MO 64055

To all International Amateur Boxing Coaches, Boxers and Team Managers coming from outside of the United States:

Please note the following important information concerning the 2015 Ringside World Championships, which for safety reasons, requires the use of headgear by all participants.

AIBA, the international governing body for amateur boxing, has mandated that all male boxers between the ages of 18 to 40, who come from outside of the United States, must compete without headgear. This recent notification from AIBA has affected eligibility for the 2015 Ringside World Championships as follows:

**Male Boxers, age 18 – 40 from outside of the United States**
Male boxers, between the ages of 18 – 40, who are coming from outside of the United States, are not eligible to compete.

**Male Boxers, age 8 – 17 and over 40 from outside of the United States**
Male boxers, up to age 17 and over 40, who are coming from outside of the United States, are eligible to compete.

**Female Boxers from outside of the United States**
All females, who are coming from outside of the United States, are eligible to compete.

This eligibility change does not affect boxers registered with USA Boxing and coming from within the United States.

Ringside is proud to host the 15th Annual Ringside World Championships and we look forward to seeing all eligible participants.
